2027 Challenge Quilt - A Color Study

Size: No larger than 36 x 36" or a perimeter of 144" (Keep in mind, a table runner size will be hung vertically at the Fair).

Categories: Traditional & Art. You will choose the category for judging.

Pattern: Your choice of pattern, block, original design.

Challenge: Choose a Focus Fabric

- The Focus Fabric **cannot be used on the front of the quilt**. (On the back is OK).
- A good sample **piece of the Focus Fabric must accompany the quilt** as it will be displayed with the quilt.
- The Focus Fabric print/theme does not need to be represented in the quilt. -e.g. FF is floral but your quilt does not have to be floral.

Additions: You may add 1 neutral that is not in the Focus Fabric - **Black, Gray, White or Off White.**

-If the Focus Fabric already has a neutral you may add 1 of the above neutrals.

Judging: Your challenge **quilt will be judged on the best use of color in your Focus Fabric.**

- e.g. If your FF has 4 colors, the "best use of color in the FF" would be showing those 4 colors + a neutral if desired.
- e.g. If your FF has 10 colors, the "best use of color in the FF" would be showing all 10 colors + a neutral if desired.
- e.g. If your FF has at least 3 shades of 1 color, the "best use of color in your FF" would be showing all 3 shades + neutral if desired. (Monochromatic).

Collections: There are many, many lovely fabric collections out there. You **may** choose a Focus Fabric from a collection but you may **NOT** choose your quilt pallet fabrics from that collection.

Due Date: Plan to get your quilt done a week or 2 before the July guild meeting.

Let's ALL get going...Put those creative brains to work...Every skill level can be awesome in this challenge...We want a great turnout next year...**You can do it!**
